### **A night for the 'birds'**

Corinda-based disability organisation MontroseAccess is kicking off its 2010 events calendar with *Birds with Bags*, a special ladies' fundraising evening at Limes Hotel, Fortitude Valley, on Wednesday 24 March.

From Limes' glamorous rooftop bar, guests will enjoy food, drink and raffles with terrific prizes; plus a fun handbag competition judged by Channel Seven personality, Jillian Whiting.

Proceeds from the event will go directly to helping MontroseAccess support young Queenslanders with physical disabilities.

"*Birds with Bags* is the first of what we hope will be many fundraising events aimed at young women," event organiser Sarah Peterson said. "But as well as letting people know about the work MontroseAccess does, the emphasis is really on having a fun night out with friends – and showing off your favourite handbag to win a prize!"

The event starts at 5.30pm, and entry is free for people who RSVP to Sarah by phoning 07 3717 1194 or emailing [speterson@montroseaccess.org.au](mailto:speterson@montroseaccess.org.au). *Birds with Bags* is an 18+ event.
